OUR STORY

Founded in 1983, the Bridal Premiere is one of Southern California's longest-running and most trusted bridal shows. Now curated with a modern, boutique approach, each event is intentionally designed to elevate both the vendor and guest experience. Our Westlake Village show at the Hyatt brings together top-tier wedding professionals, engaged couples, and industry leaders in a refined setting that encourages meaningful connections, inspired design, and real business growth. Every detail, from layout to guest flow, is thoughtfully planned to help our vendors shine and book confidently.

IT'S NICE TO MEET YOU

Amanda Vincent is the owner and producer of the Bridal Premiere. As a wedding industry professional herself, Amanda understands firsthand how meaningful the right vendor relationships can be. Her approach to the Bridal Premiere is deeply personal, rooted in community, collaboration, and a belief that wedding shows should feel inspiring, curated, and genuinely valuable. With a background in media strategy and brand building, she brings a modern, thoughtful lens to a 43-year tradition, creating spaces where exceptional vendors are showcased beautifully and couples feel confident, welcomed, and excited to plan their next chapter.
